Reference - O M No 1979-2078/C B 73-50-1 dated 15th May 1950

In continuation of the above Official Memorandum, an extract of the Agreement dated 23rd June 1950 between His Excellency the Governor-General of India and His Highness the Maharaja of Mysore referred to therein is forwarded herewith for information and guidance

As will be seen from it, His Highness the Maharaja and the Members of his family are entitled to all the privileges, dignities and titles enjoyed by them whether within or outside the State immediately before the 15th August 1947 and these will have to be carefully borne in mind and this article of the Agreement has to be scrupulously carried out

Whatever procedure may be laid down hereafter in respect of services rendered to the Palace by the Government Departments, it will always be subject to the observance of the article of the Agreement referred to above The sole intention of the Official Memorandum dated 15th May 1950 was to clarify where necessary and to catalogue the services to the Palace as these are nowhere detailed or defined and are based largely on usage There is however, no question of any of the existing services being reduced or being charged to His Highness's Privy Purse except in accordance with the existing practice or on specific orders

At the same time, it is being provided that certain other charges in regard to the lighting, water-supply and telephone etc , incurred on behalf of His Highness the Maharaja in the capacity of Raj pramukh of the Mysore State should be met out of the grant of Rs 3 lakhs which is being placed at the disposal of His Highness as an allowance for the purpose The items to be charged against this grant are under consideration separately and orders will issue as soon as they have been determined

Certain Departments of the Palace have already been taken over by Government with effect from 1st July 1949 The question of continuing them under Palace Management as before, or transferring them to Government control apart, the expenditure to be incurred on behalf of these Departments will be charged to the revenues of the Government according to present decisions, except as regards the two departments, namely Jagan Mohan Palace, Chitrashal and Chamundi Gymkhana which have been re-transferred to the Palace

Secretaries to Government and Heads of Departments concerned are requested to read the previous Official Memorandum dated 15th May 1950 subject to the remarks made above and to send the information required in this behalf accordingly

GENERAL & REVE 3084 NOV 194 PUBLIC BRANCH

Sir,

Subject Steam Road Roller hire charges claimed by the Mysore City Municipality

---

I have the honour to state that a Steam Road Roller and a water lorry of the Mysore City Municipality were obtained by the Palace Engineer for use in September and November 1948, for which bills for R 196-4-0 and R 150/- respectively towards hire charges were forwarded by the Municipality to the Palace Engineer The Palace Engineer addressed the Municipal Commissioner, Mysore, inviting reference to para 368 note 1 of the Mysore Public Works Accounts Code, exempting the Palace from payment of such hire charges The Municipal Commissioner in reply stated that the above rule did not apply to the Local Bodies like the Mysore City Municipality The matter was then referred to the Comptroller to the Government for clarification The Comptroller states in his reply (Copy of which is enclosed herewith) that the claim of the Mysore City Municipality is in order and that the bills have to be paid unless orders of Government are obtained waiving payment in the case of the Palace

I request, therefore, that orders of the Government may kindly be obtained for exempting the Palace from the charges referred to above as in the case of the charges for the supply of water etc by the Municipality, and of services rendered by the Government Departments to the Palace

Yours faithfully,

Huzur Secretary

Subject - Exemption from payment of charges in respect of Palace Buildings etc

---

With reference to your letter No L 1252 dated 2nd May 1950 on the above subject, I have the honour to furnish replies to the questions as follows -

1 How many Palace Buildings have been exempted from payment of mohatarfa tax and which are those buildings?	210 Palace Buildings have been exempted from the payment of mohatarfa taxes A list of the buildings is appended
2 What would be the probable income if the said tax had been levied on those buildings?	The rental value of these buildings as noted in the ledgers of the Municipal office was fixed long back Palace Buildings on which no rent is collected are exempt from mohatarfa tax under proviso (b) (i) and (ii) Section 64 of the Mysore City Municipalities Act The rental value has not been revised from time to time On the basis of the rental value entered in the Municipal ledgers long back, it is calculated that the mohatarfa tax payable would amount to Rs 9521-12-0 The tax would be very much higher if the rental value of buildings are revised according to present conditions and the present rental values are taken into
